### About Queen's University

Since 1845, Queen's University Belfast staff, students and alumni have made a difference to societies locally, nationally, and internationally. Today, we are one of the UK and Ireland's leading universities and continue to shape and serve the world around us through our research and teaching. Queen's University ranks 202 in the 2024 QS World University Rankings and 99% of our research environment was assessed as world-leading or internationally excellent.

Queen's University has always been a generator of knowledge. We tackle the issues faced by individuals and societies at a local, regional, and global level and we are an engine of progress that is central to the socio-economic success of Northern Ireland. Our contribution to the local and regional economy of Northern Ireland is currently estimated at over three billion pounds annually and we are the #2 university in the UK for entrepreneurial impact.

### Daphne Jackson Fellowships

The Daphne Jackson Trust is dedicated to returning researchers to their careers following a break of two years or more taken for a family, caring or health reason.

Daphne Jackson Fellowships are unique - They offer professionals wishing to return to a research career after a break of two or more years, the opportunity to balance an individually tailored retraining programme with a challenging research project in a suitably supportive environment.

The Fellowship consists of a challenging research project and at least 100 hours retraining per year. The unparalleled support offered by the Trust's Fellowship Advisors and administrative staff, coupled with mentoring and retraining provided during the Fellowship, give returners the confidence and skills they need to successfully return to research.
