### **Daphne Jackson Fellowship Opportunity UK Atomic Energy Authority (UKAEA)**

Applications are invited for a two-year part-time (0.5 FTE) Daphne Jackson Fellowship that will be hosted and sponsored by UKAEA. The Fellowship is intended for individuals who want to return to research after a career break. As UKAEA has extensive scientific research areas, UKAEA are open to applications from individuals from a range of backgrounds.

At UKAEA we strive to make everyone feel welcome and fully supported. Our Ambassadors are actively promoting and advancing diversity and inclusion in the organisation to help make our Organisation an employer of choice. UKAEA has a graded career structure and our mentoring scheme will enable you to reach your true potential.

The UKAEA hosts and manages the JET nuclear fusion energy experiment on behalf of the EU and is also home to the UK's MAST-U fusion energy experiment. UKAEA also works with industry and other third parties to develop new technologies currently in Remote Handling and Materials research. Following recent UK funding two new centres of excellence in tritium fuel handling and component testing and validation are being built. The culture at UKAEA promotes research, innovation and leading edge technological excellence, whilst investing in its people.

For further information on why UKAEA is a great place to work please review our recruitment video via the following link: <https://www.youtube.com/watch?v=77D3F3IL98>

#### **Daphne Jackson Fellowships**

The Daphne Jackson Trust is dedicated to returning scientists, engineers, technologists and mathematicians (STEM) to their careers following a break taken for family, caring or health reasons.

Daphne Jackson Fellowships are unique - they offer STEM professionals wishing to return to a research career after a break of two or more years, the opportunity to balance an individually tailored retraining programme with a challenging research project in a suitably supportive environment.

Fellowships are part-time over two years and consist of a challenging research project and at least 100 hours retraining per year. The unparalleled support offered by the Trust's Fellowship Advisors and administrative staff, coupled with mentoring and retraining provided during the Fellowship, give returners the confidence and skills they need to successfully return to research.

For further details about the application process, Trust and fellowship scheme, please visit [www.daphnejackson.org](http://www.daphnejackson.org)  
For further information before submitting an application please contact the Daphne Jackson Trust office on 01483 689166 or via email at [djmft@surrey.ac.uk](mailto:djmft@surrey.ac.uk).

For further information specifically about the sponsored fellowship opportunities at UKAEA, please contact Jacqui Dalziel via email at [Jacqui.Dalziel@ukaea.uk](mailto:Jacqui.Dalziel@ukaea.uk). For more information on UKAEA, please visit their website [www.gov.uk/ukaea](http://www.gov.uk/ukaea)

#### **How to apply**

To be considered for this opportunity, please complete the CV and personal details information forms that can be found on the Daphne Jackson Trust website: [Apply here](#)

Please outline your area of research interest and, if you have identified a research group within which you would like to work, include the name and contact details of a potential supervisor in that group.

Email your submission to the Daphne Jackson Trust office at [djmft@surrey.ac.uk](mailto:djmft@surrey.ac.uk) stating clearly, UKAEA Sponsored Fellowship Application.

Closing date for applications is **Monday 25<sup>th</sup> March 2019**
