

## **Daphne Jackson Fellowship Opportunity at the University of Huddersfield**

Applications are invited for a three year part-time (0.5 FTE) Daphne Jackson Fellowship at the University of Huddersfield.

The Fellowship is intended for applicants to the School of Applied Sciences, University of Huddersfield. The School of Applied Sciences provides a vibrant teaching, learning and research environment for over 1500 students and 100 staff encompassing Chemistry, Chemical Engineering, Biological Sciences, Geography, Forensic Science, Pharmacy and Optometry and Vision Science.

The University of Huddersfield will host and half sponsor this three year Fellowship. The remaining funding will be secured by the Daphne Jackson Trust from an additional sponsor.

### **Daphne Jackson Fellowships**

The Daphne Jackson Trust is dedicated to returning researchers to their careers following a break of two years or more taken for a family, caring or health reason.

Daphne Jackson Fellowships are unique - They offer professionals wishing to return to a research career after a break of two or more years, the opportunity to balance an individually tailored retraining programme with a challenging research project in a suitably supportive environment.

The Fellowship consists of a challenging research project and at least 100 hours retraining per year. The unparalleled support offered by the Trust's Fellowship Advisors and administrative staff, coupled with mentoring and retraining provided during the Fellowship, give returners the confidence and skills they need to successfully return to research.
